

City of Lincoln Public Participation Kit Participation Unit ID's

Each number indicates the total population of that "population unit" area.

Each district must have essentially equal population. If you are drawing a five-district map, each district must be close to 8,564 in population, with no more than a 856 difference between the largest and smallest.

If you are drawing a four-district map, each district must be close to 10,705 in population, with no more than a 1,070 difference between the largest and smallest.

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to Lincoln@NDCresearch.com.

You can hand-deliver, mail, fax, scan and email, or photograph and email your map. Use this map with the Microsoft Excel file.

An online version of this map that allows you to zoom in and out for more detail is available as a link from the City website.
